SELLER'S REPRESENTATIONS

The following representations and conditions apply to the sale of the aforementioned dog/puppy: As of said date of this Contract. The dog/puppy is in good health and free of communicable disease. VonSila states that upon delivery, the dog/puppy is in good health and has been immunized and wormed according to the attached health records. The Buyer has **FOUR (4)** days to have dog/puppy examined by a veterinarian and to personally inspect the dog/puppy. Any claims to return dog/puppy must be made within this time period and will be verified by the Seller's own Veterinarian.

STIPULATIONS

(Pet Puppy Agreement)

This dog/puppy is being sold for the use as a **family pet**. The dog/puppy is sold on an AKC Limited Registration, and is to be spayed/neutered at **twelve (12) months of age**. If said dog is over twelve (12) months of age, you will have thirty (30) days after the one year old time frame to spay/neuter the dog. A spay/neuter certificate is required to be sent to breeder. All responsibilities, financial and otherwise for spay/neuter are the Buyers responsibility.

Do not spay or neuter before twelve (12) months of age. A large breed neutered dog has 10X the HD, 30X the bone cancer risks and much higher rates of all other autoimmune diseases and temper neurosis than their unneutered counterparts. Hormones are essential in assisting with the proper growth of the brain and bones of an animal.

This stud or bitch puppy is being held with AKC Limited Registration.

If puppy/dog is found to produce puppies outside of said agreement/ a \$10,000.00 legal action will be filed in Onondaga County, New York. Buyer will be responsible for all legal costs of action.

HEALTH & WELL BEING

Buyer agrees to maintain this dog in good health, provide routine preventative healthcare, including, but not limited to, inoculations, internal and external parasites, and heartworm preventative medication. Buyer further agrees to provide proper exercise and training to maintain this dog or bitch in proper weight, physical, and mental health.

CONSIDERATION

This dog/puppy is being sold for the sum of \$ _____ to be paid in full on:
M ___ D ___ Year _____.

A non-refundable deposit of **\$350.00** with the balance of \$ _____ to be paid *before* receipt/shipment of dog/puppy.

DEPOSITS ARE NON-REFUNDABLE, or you may switch your deposit to hold a puppy from another litter dependent upon the circumstances and availability.

LEAVE NOTICE & LATE PICK-UP POLICY

Buyer is advised that puppy must be picked-up or arrangements made for transport within three (3) days after Seller gives notice that puppy is available to leave. If puppy is not picked-up or arrangements made for transport by the end of that three (3) days, there will be a daily charge of \$45.00 for up to five (5) days and no puppy will be released unless full payment of your balance is made. ***If after that five (5) days, Buyer has made no arrangements, the puppy will no longer be available to Buyer or if circumstances arise wherein the Buyer is no longer interested in or unable to take the puppy, Seller must be notified immediately by Buyer upon receiving notice that the puppy is available to leave and deposit will not be refunded or transferable to another litter.***

Buyer is also responsible for the costs of shipping, the health certificate from a veterinarian and purchase of a crate, which will be the approximate combined cost of \$400.00 to \$500.00, and all such prices are subject to change and *must be paid* prior to shipping.

VonSila does not accept any personal checks for final payment. Methods of payment accepted are:

DEPOSITS: (1) certified bank check, (2) cash or (4) MC &/or VISA.

FINAL PAYMENT: (1) certified bank check, (2) cash, (3) Credit Card/* must pay additional fees for use of credit cards.

*You must have an accepted payment with you upon pickup or your puppy/dog will not be released to you. **NO EXCEPTIONS PLEASE!***

VONSILA KENNELS, LLC
MANLIUS, NEW YORK

SELLER/BUYER'S LIABILITY

Seller has performed either PennHIP or OFA testing on both Sire and Dam verifying said dogs are HD free. Bitches and Studs will only be bred having a passing “**PennHIP**” score for breeding. In addition, the dog must meet breed standards to include correct confirmation and DM testing. Selection of breeding partner must meet same criteria and be reviewed and approved by breeder.

Puppies will be sold with the following:

- AKC Paperwork
- Copy of Contract
- Copy of Sire/Dam Pedigrees
- First Vaccination at six (6) weeks – Durvet® Canine Spectra 5™
- OFA Cardio – *If available.*
- OFA Elbows
- PennHIP Report
- Worming – *Panacur or Strongid*/Some worming product may be sent home to ensure proper coverage.*

This VonSila puppy is guaranteed to be healthy (* may have residual worms after treatment – common with litters) upon delivery or pick-up. Said puppy has been de-wormed, vaccinated, examined by a licensed veterinarian when shipped by air.

VonSila assures your pup to be free of a diagnosis of Hip/Elbow Dysplasia on both elbows and Buyer would have to provide documentation that reflects moderate or severe hip dysplasia and/or Grade-2 elbow dysplasia or above. However, if one elbow only is affected, it would not be considered a genetic disease. Genetic elbows are when both elbows are affected.

**** The Buyer has to agree to perform x-rays on hips and elbows to qualify for this guarantee. For puppies that are sold on non-breeding Contracts, we recommend to have preliminary x-rays during the spay/neutered procedure as the dog will be under sedation and it would be cost-effective.**

Said Buyer has **FOUR (4)** business days to have the VonSila puppy/dog examined by his/her licensed veterinarian and to personally inspect the dog. If said Buyer is dissatisfied at that time, (within the four (4) business day time-period), Buyer must immediately contact Seller. Seller will review problems with Buyer's and Seller's veterinarians, and Buyer can return the puppy to the Seller for a full refund (minus shipping costs). Buyer must pay all transportation costs to the Seller's home or Buyer can keep the puppy, accept full responsibility and full ownership of all health bills and must spay/neuter pup. If both veterinarians agree to a genetic disease caused by the breeding pair, a puppy refund for first-pick pup of next available litter will be granted to said Buyer.

HEALTH GUARANTEE

VonSila does everything possible to insure its puppies/dogs are in excellent health and are genetically sound, however, there is a small percentage of risk as with any animal although VonSila puppies risk is minimal due to all testing done.

VonSila will not be held responsible for the development of non-genetically derived faults, diseases, or disorders which are due to the Buyer's negligence and/or abuse. Please note that any form of mange or skin disorder is also an excluded liability.

It is also Buyer's responsibility to meet the following conditions, wherefore, VonSila will not be held accountable if the following conditions are not met:

- The dog is fed a high quality dog food, and has not had an accident or injury that may cause a condition.
- The dog has NOT been spayed or neutered before twelve (12) months old (see "**Stipulations**" section above).
- The dog has NOT been kept unduly restrained. These are large-breed animals and by the time they are five (5) months of age, they should be kept in a kennel space of no less than 10' x 20' and NOT on concrete flooring. Further, they should be allowed sufficient exercise time in a larger space at least twice a day, which is good for the owners too! Extensive confinement WILL cause problems in bone, joint and muscle development and may cause problems with temperament.
- The dog/puppy will not be sold to a third party or lodged with anyone other than the Buyer stated on this Contract, however, brief stays at reputable boarding kennels are acceptable.
- The Buyer is in good standing with the American Kennel Club.
- The dog, male or female, has not produced a litter.

RE-HOMING:

Due to limited kennel size, VonSila Kennels, is not able to physically accept returned dogs, however, VonSila Kennels will assist in the "re-homing" your VonSila Puppy/dog through face book, breeder networks and/or website advertising if the following conditions **ARE MET**:

- Buyer has maintained this dog in good health, provided routine preventative healthcare, including, but not limited to, inoculations, internal and external parasites, and heartworm preventative medication.
- Buyer has provided proper exercise and training to maintain this dog or bitch in proper weight, physical and mental health.

VONSILA KENNELS, LLC
MANLIUS, NEW YORK

- Puppy/dog has not bitten people/animals.
- Puppy/dog does not meet dangerous dog criteria.
